THERE ARE MOMENTS IN LIFE WORTH CELEBRATING...

there are those that bring us joy, surprise us and define us. There are moments that help us overcome uncertainty and those that get us moving in the right direction. Moments can shape who we are as individuals and help us become who we are meant to be.

At Texas Scottish Rite Hospital for Children, we celebrate the moments when we are able to give children back their childhood. We celebrate each step taken, game played, book read and above all, the happiness that only childhood can bring.

We consider it a great honor and privilege to provide care and healing in the moments when our patients need us most.

We also celebrate all the individuals who make these moments possible, from our outstanding medical staff who care for our patients, to our friends and donors who make this hospital the special place that it is.

This year, we invite you to discover moments our patients celebrate. Our goal as caregivers is to help make it possible for each child to pursue their individual aspirations and to script their own future of what they want to be, do and discover. Because there are defining moments and then, there are kids who define their own — like the patients of Texas Scottish Rite Hospital for Children.

SCOTTISH RITE HOSPITAL RECOGNIZED ONCE AGAIN FOR PATIENT-CENTERED CARE

For the second consecutive year, the National Research Corporation (NRC) recently recognized Scottish Rite Hospital's dedication to excellent patient care with two Path To Excellence Awards. The first award was for Top Performing Facilities - Children's Hospitals. This award was presented to only two hospitals in the country.

In addition, Scottish Rite Hospital was one of only two institutions to receive recognition for Most Improved Facilities - Children's Hospitals, based on improvement over last year's award-winning inpatient performance scores.

The hospital is dedicated to delivering exceptional care as well as setting the standard for improving the patient experience for children everywhere.

TREASURE STREET CELEBRATES GOOD TIMES, GOOD FRIENDS AND THE GOOD WORK OF SCOTTISH RITE HOSPITAL

On Thursday, Oct. 13, 2016, hospital friends, families and supporters gathered for the 21st annual Treasure Street. The hospital's signature fundraiser was held across the street from the hospital on the beautiful grounds of Old Parkland.

More than 1,000 guests enjoyed delicious food from Parigi chef Janice Provost, live and silent auctions, and music by the Emerald City Band.

A special thanks goes to 2016 Treasure Street Chairman Hadleigh Henderson as well as Honorary Event Chairmen B.K. and Mark Sloan. The event raised more than \$1.1 million for Scottish Rite Hospital.

Please plan to join us for Treasure Street's 22nd annual celebration on Oct. 19, 2017.

SCOTTISH RITE HOSPITAL BREAKS GROUND ON FUTURE NORTH CAMPUS

On Oct. 19, 2016, Texas Scottish Rite Hospital for Children celebrated the groundbreaking of its future North Campus facility in Frisco, Texas, expected to open in the fall of 2018. The event drew more than 250 friends, trustees, patients and their families, Frisco representatives and hospital staff to mark the construction of the hospital's first-ever satellite facility in its 95-year history.

HKS Architects and the Beck Group are responsible for the design and construction of the building, located on 40 acres at the Northeast corner of Lebanon Road and the Dallas North Tollway. The five-story, 345,000-square-foot structure is strategically located to fulfill a growing need for patient care in the rapidly expanding North Texas area.

This ambulatory surgical center will offer clinics and day surgeries for children with orthopedic issues and will be anchored by the hospital's Center for Excellence in Sports Medicine. The state-of-the-art facility will also include a fracture clinic, scoliosis and hand clinics, arthritis service, movement science center, physical and occupational therapy services, sports therapy and an educational outreach program to improve athletic safety within schools and sports teams.

In addition, the hospital's future North Campus will offer outdoor amenities including playing fields, a walking and running trail and a playground park for patients and the community.

During construction, many of the above services are being offered at an interim facility in Plano.

Representing Texas Scottish Rite Hospital for Children at the groundbreaking celebration are, left to right: Chief of Staff Daniel J. Sucato, M.D., M.S.; patient Alexis, age 11, of Wylie; Vice Chairman of the Board of Trustees M. Douglas Adkins; patient Jasmine, age 12, of Prosper; Chairman of the Board of Trustees Lyndon L. Olson, Jr.; Vice Chairman of the Board of Trustees Harold D. Carter; President/CEO Robert L. Walker and patient Dawson, age 13, of Frisco.

BECOMING A PATIENT

Scottish Rite Hospital has one of the leading pediatric orthopedic programs in the country and has been dedicated to caring for children for more than 95 years. Patients receive treatment regardless of the family's ability to pay.

To become a patient, a child should be referred for a condition the hospital treats, such as an orthopedic condition, certain related arthritic or neurological disorders, or learning disorder, such as dyslexia.

For more information about admission guidelines, please visit scottishritehospital.org/becoming-a-patient.

Physicians who would like to refer a patient or obtain a patient referral information form should contact our Patient Access department at 214-559-7477 or 800-421-1121, ext. 7477, or visit scottishritehospital.org.

BECOMING A VOLUNTEER

Volunteers help make Scottish Rite Hospital a special place for patients and families and are an integral part of the hospital's daily activities. Though volunteers have diverse backgrounds, they are united in the desire to contribute their time and talents to patients and their families.

Patient Analia, age 6, of Carrollton, with Stephen Apple, volunteer and former Volunteer Executive Committee president

For information about becoming a volunteer or to receive an application, call our Volunteer Services department at 214-559-7825 or 800-421-1121, ext. 7825, or visit scottishritehospital.org/volunteer.

OUR MASONIC ROOTS

Scottish Rite Hospital was founded in 1921 by a group of Texas Masons and Dallas' first orthopedic surgeon, W. B. Carrell, M.D. Today, the hospital is governed by a board of trustees whose members belong to the Scottish Rite of Freemasonry. Masons throughout the state of Texas continue to support the hospital with their personal time and individual contributions.

HELP GIVE A CHILD THEIR MOMENT TO CELEBRATE

At Texas Scottish Rite Hospital for Children, we have celebrated many moments and milestones in our 95-year history, from the founding of our hospital in 1921 to the groundbreaking of our new Frisco facility in 2016.

None of these moments would be possible without the support of individuals, organizations, foundations and corporations, committed to supporting the hospital's mission of giving children back their childhood. As a nonprofit hospital, Scottish Rite Hospital relies on your generosity to bring moments worth celebrating to children throughout our community and around the world.

The moment a patient scores their first soccer goal, rides a horse with the help of a specialized prosthesis or simply stands tall for the first time is made possible by the moment you choose to make a difference.

Patient Trinity, age 13, of Dallas

To make a donation, please use the donor envelope included in this publication. You may also find more information as well as donate online at scottishritehospital.org/give. To learn about the many ways you can give a child their moment to celebrate, including planned gifts, memorial gifts, honorariums, giving clubs and more, contact our Development department at 214-559-8374 or 800-421-1121, ext. 8374.

A photograph of two children, Ryan and Gia, standing in a grassy field between two horses. Ryan, on the left, is wearing a blue t-shirt, light-colored shorts, and a black riding helmet. Gia, on the right, is wearing a pink t-shirt, blue jeans, and a black riding helmet. The horse on the left is a brown and white paint horse, and the horse on the right is a white horse with black spots. The background shows a line of trees under a bright sky.

OUR MOMENT TO

Horse Around

RYAN, age 10, and GIA,
age 8, both of McKinney

SIBLINGS RYAN AND GIA CAN RIDE TALL, despite their congenital upper- and lower-limb differences. Hospital prosthetists created a customized leg for Ryan and a unique prosthetic arm for Gia. When it comes to helping kids live each moment to the fullest — we don't horse around.

JANUARY 2017
