MOMENTS WE SHARE

As a hospital specializing in pediatric orthopedics, the staff of Texas Scottish Rite Hospital for Children has a unique privilege of watching many patients grow up through the years. A number of boys and girls we treat are born with an orthopedic condition. Likewise, patients who face an issue as growing adolescents, such as scoliosis or a limb-length difference, may require an extended period of treatment. Other children are in our care for a short time with a minor fracture or sprain. Whether a patient has received treatment for years or one day, we value being a part of each child's journey and treasure the moments we share along the way.

Patient mother LaShonda and her son, Jayden, age 2, of Princeton, share a smile during a hospital visit.

JohnMichael, age 18, of Pasadena, has a laugh with a special hospital friend he calls, "Super Dave," also known as David, patient care technician.

In addition to the expertise our physicians, nurses and therapists provide to our patients, the role of caregiver takes many forms at Scottish Rite Hospital. From a volunteer warmly greeting a patient family to a therapy assistance dog comforting a patient after surgery, this year's calendar captures some of the special connections that occur at the hospital every day.

Of course, none of these healing moments would be possible without our generous donors and hospital friends. That support allows us to deliver world-renowned pediatric orthopedic services to our patients.

We are grateful to all the caregivers on our team, whether you are a medical professional, family member, volunteer or donor; because the second a child's health takes a turn for the better, so does their life – and that is one of the most wonderful moments we share.

≡ TREASURE STREET CELEBRATES THE HOSPITAL IN TRUE TEXAS STYLE

More than 1,200 hospital friends displayed their Texas pride on Thursday, Oct. 19, to celebrate and support the work of Scottish Rite Hospital. The hospital grounds were transformed for this signature fundraising event to represent the theme – “Color Me Texan.”

Guests enjoyed tasty treats from Campisi’s, Haystack Burgers & Barley, Parigi, Paul Martin’s American Grill and Matt’s Rancho Martinez. The music of Emerald City

Band and live and silent auctions added to the festive evening.

Special recognition goes to 2017 Treasure Street Chairmen Niven Morgan and Shelby Wagner as well as Honorary Chairmen Ginny and Randy Bailey. The event raised more than \$1.2 million with all proceeds benefiting the hospital. Please make plans to join us for the 23rd annual Treasure Street on Oct. 11, 2018.

Philip L. Wilson, M.D., hospital assistant chief of staff and director of the Center for Excellence in Sports Medicine, examines patient Heather, age 16, of Allen.

of the 2017 Excellence Award as one of the Top Performing Facilities – Children’s Hospitals.

The hospital was one of only two pediatric institutions in the U.S. selected for this distinction, which honors organizations that have received the highest overall patient satisfaction scores.

≡ CONSTRUCTION MILESTONE MARKED AT FRISCO CAMPUS

The hospital celebrated the ceremonial topping out of the future Orthopedics and Sports Medicine Center in Frisco on Friday, Sept. 15. Hospital leaders, Frisco city officials, representatives from The Beck Group and HKS, Inc. as well as more than 300 construction workers were on hand to celebrate this project milestone.

The hospital’s Center for Excellence in Sports Medicine will transfer from its current Plano location to anchor the facility, which is scheduled to open in the fall of 2018. The Frisco campus will also feature a state-of-the-art movement science laboratory, fracture clinic, rheumatology, hand clinic and general orthopedic services to serve young athletes and children throughout the region.

BECOMING A PATIENT

Scottish Rite Hospital has one of the leading pediatric orthopedic programs in the country and has been dedicated to caring for children for more than 95 years. Patients receive treatment regardless of the family's ability to pay.

The hospital treats orthopedic conditions, sports injuries and fractures, as well as certain related arthritic and neurological disorders and learning disorders, such as dyslexia.

For more information about self-referral admission guidelines, please visit scottishritehospital.org/becoming-a-patient.

Physicians who would like to refer a patient or obtain a patient referral information form should visit scottishritehospital.org or contact our Patient Access department at 214-559-7477.

BECOMING A VOLUNTEER

Volunteers help make Scottish Rite Hospital a special place for patients and families and are an integral part of the hospital's daily activities. Though volunteers have diverse backgrounds, they are united in their desire to contribute their time and talents to patients and their families.

For information about becoming a volunteer or to receive an application, visit scottishritehospital.org/volunteer or call our Volunteer Services department at 214-559-7825.

OUR MASONIC ROOTS

Scottish Rite Hospital was founded in 1921 by a group of Texas Masons and Dallas' first orthopedic surgeon, W. B. Carrell, M.D. Today, the hospital is governed by a board of trustees whose members belong to the Scottish Rite of Freemasonry. Masons throughout the state of Texas continue to support the hospital with their personal time and individual contributions.

MAKE A DIFFERENCE BY SUPPORTING THE MOMENTS WE SHARE

Smiles. Whispered words of encouragement. Small victories and stunning successes. These are the moments we share.

At Texas Scottish Rite Hospital for Children, we've been sharing moments of hope and healing with our patients since 1921. Throughout that time, members of our community have contributed to the triumphs of our patients and the hospital – with gifts of time, talent and financial donations. These caring individuals, organizations and corporations have become a part of our story.

In this narrative, research discoveries are made, treatment methods are advanced and children around the globe benefit from the education initiatives of the hospital's world-renowned pediatric orthopedic team.

All of this is made possible through the dedication of hospital friends, donors and volunteers. Please join us and make a difference by supporting the moments we share.
